

Accommodation: please keep in mind that Barcelona is a touristic place and June high season. Therefore, if you want to stay in the city we recommend you to book your hotel or apartment as soon as possible. The conference itself will take place in Bellaterra (the campus of the Univ. Autònoma), about 20 km away. From the campus you can get to the centre of the city by train, which takes about 35 minutes (but the train does not circulate during the night).

Here are some recommendations:

A) For the hotel on the campus of the UAB ("**Hotel Campus**") we have a special offer: a single room for 60 euros and a double room for 66 euros. If you are interested please send us an e-mail. As soon as we receive your response we make a pre-reservation (which can be cancelled or changed by you at any time until April 2016). Later on (in January/February) when you probably will start to make travel plans we will send you a booking form to fill out to formalize the reservation (in it you will have to indicate the date of arrival and departure).

<https://www.hotelcampusuab.com/en/>

B) A (cheaper) option is to rent an apartment for 2 persons (called "**Vila 2**") on the university campus of the UAB. The price per week is 377€. The apartment includes private bathroom and equipped kitchen. The price also includes a weekly cleaning service. Please take a look at the link below to see the pictures. Please contact us if you are interested in this option.

For more information see: <http://www.uab.cat/web/your-home/type-q-for-1-or-2-persons-1248300550667.html>

C) In the city centre: in general hotels in the city centre are more expensive and we have no chance of getting a special price. There are plenty possibilities and maybe use booking.com to get a good cancellation policy. An attractive option could be also the "**Residència d'Investigadors**" (a hotel for scholars near the Ramblas, about 15 minutes walk to the train station to UAB/Bellaterra; the travel to the conference from there would take about 1 hour aprox.). The price for an individual room is 71€, the double room costs between 88€ and 100€. More information at:

<http://www.residencia-investigadors.es/ca/espacios/allotjament-9.htm>

Please note that a limited number of **travel stipends** will be available to students or scholars who present a paper or a poster and need economic support. Please indicate along with your submission if you wish to be considered for this arrangement.

In case you want a list of hotels of the city centre or if you plan to stay on the campus please contact us (eshhs2016@gmail.com).

Kind regards,
The organisers
